Thomas Edison High School
East Gary, Indiana

LAKE COUNTY PUBLIC LIBRARY

. . . In sincere dedication to the memory of Carl J. Polk, who served six consecutive years as a member of the school board before his untimely death on December 28, 1966.

Foreword

Since last August, when the doors of Edison opened for a new school year, much of what we then anticipated has come to pass, bringing along with it the delight and dismay of the unexpected. Our 1966-1967 school year will be remembered as one of vitality and innovation . . . of a faculty and an administration guiding and counseling a spirited student body; of the ecstatic excitement of athletic competition; of extra-curricular opportunities; and of experiences acquired from participation in school-sponsored activities . . . all embodied in an enthusiastic school spirit.

A school is just another fact to be considered and forgotten unless there is something lasting in its nature to give it meaning. That "something" is better known as "school spirit." This is the theme we have attempted to capture and carry out as

the Edisonian Staff presents the people who made
Edison Senior High come to life with

Mr. Roos . . .

. . . a man of dedication

Graduation Day is, for you members of the class of 1967, the beginning of a new era in your lives. With it will be new responsibilities, new interests, new opportunities and new friends.

In whatever you endeavor, may you remember the thoughts the poet has so beautifully expressed in these few lines. With them go my best wishes for success to each member of the Class of '67.

"If the goal is worth possessing, it is worth the price in pain;
If you have a dream worth holding, it's worth struggling to attain;
For the joys that last the longest, as the distant bends are turned,
Are not the easy splendors, but the joys which you have earned."

"If you'd reach the mountain's summit, you must have the will to climb;
If you'd rise to fame and glory, you must work and bide your time;
For the victory that's sweetest when life's full returns are in
Is the one that tried your patience and took all your strength to win."

In Memoriam

Billy Allen

Even in our most happy and vibrant days we are harshly made aware of life's darker side. The Senior Class expresses our fondest remembrances of our classmate, Billy Allen, whose life was so tragically ended July 15, 1966.

To paraphrase Henry Wadsworth Longfellow, we feel now as we did then, that "a feather has truly been wafted downward from an Eagle in his flight."
